St Joseph’s is a double stream, co-educational, Catholic Primary School, catering for students from Pre-Kindy to Year 6.

St Joseph’s was established in 1915 by the Mercy Order of Sisters and many of their foundation principles underpin the traditions of the school.

One of these traditions is the care and concern for each and every individual of the St Joseph’s Community; student, staff and parents. Gospel values of truth, justice, endurance, dignity, charity, peace and compassion remain central to our teachings and practices.

St Joseph’s is a faith sharing community with close links to the Parish. The Parish coordinates the Sacramental Program in close liaison with the school. Children complete Reconciliation in Year 3, First Communion in Year 4 and Confirmation in Year 6.

Students have access to an up to date computer lab, modern library and specialist teachers in physical education (Kindy - Year 6) and Italian (Years 2-6). Children have the option of participating in a number of School and Interschool Carnivals and are fortunate to have access to St Norbert College swimming pool for training. The children also have a performing arts teacher and have performed at an extremely high level in a number of competitions.

A comprehensive capital development plan, which was completed in 2011, has seen a total rebuild and refurbishment of the school. The school now offers excellent facilities where children are safe and can reach their potential.

We support and encourage parents to extend their child’s education beyond primary school through to St Norbert College. It is recommended that the enrolment applications for a place in the College are completed as early as possible. Enrolment brochures for St Norbert College are available in the front office.

Yours faithfully

EARLY CHILDHOOD EDUCATION

Kindergarten & Pre-Primary Classes

Every opportunity is presented for a positive learning environment in Kindergarten and Pre-Primary classes for valuable developmental experiences across all curriculum areas. All work is carefully planned and programmed and includes a nurturing religious education experience based on Gospel values.

Social/Emotional Development is particularly catered for through group activities, friendship and play activities, rhythmic activities, and among other facets of learning experience, role play and ‘make-believe’ activities.

Physical Development is nurtured in areas which concentrate on gross motor skills and fine motor skills. The staff are trained in presenting their groups with wide ranging activities and experiences which assist the child through normal developmental stages. Games and activities are designed to assist pupils with walking, hopping, jumping, climbing, throwing and catching activities. These gross motor skills enhance the development of fine motor skills including activities such as shaping dough, reproducing letter shapes, painting, drawing and building towers with blocks.

Literacy and Numeracy Development is provided for through an emphasis on Cognitive Development activities and experiences in communication development. Like all areas of preparation and programming, activities are presented in ways to encourage and stimulate development in language and math’s areas. Sundry activities include storytelling, card games, letter activities, writing and copy activities, listening games, counting games, number recognition and developing patterns.

Throughout the early years of school experience you are encouraged to help your child enjoy the Kindergarten and Pre-Primary experience without applying pressure to perform. The child whose natural developments are warmly encouraged will establish quality foundations to perform when he or she is reading in areas of literacy and numeracy. A more structured approach is further programmed when the child moves on to Year One.
SAFETY OF THE CHILDREN

Parents are responsible for the safety of their children at all times. They transfer this responsibility to the school during the hours of 8.30am to 3.25pm, Mondays to Fridays. The school takes this responsibility seriously and so the following should be observed at all times.

1) Parents are required to contact the school by phone prior to the commencement of the school day if the child is to be absent. If the school is not notified of the absence the parent will be contacted by text message to inquire why the child is not at school. Parents are then required to phone the school to explain the absence.

2) Parents are required to send a dated note of explanation for any absence, when the child returns to school. A note is also required when the child is late for school in the morning.

3) No child will be allowed to leave the school grounds during school hours. If a child has to leave for a dental appointment etc., parents must advise the teacher in writing and the child must be collected by an adult.

ALL parents and visitors entering the school between 9.15am and 2.45pm must sign in at the office and get a badge. This badge must be worn at all times while on school grounds. When leaving the school please do not forget to sign out and return the badge.

If you are helping in a classroom, on the reading roster, helping in the canteen, your children are arriving late (after 9.15am), taking your child to a medical/dental appointment, or just dropping off lunch, delivering forgotten homework/clothing etc you must sign in in the appropriate file at administration and get a badge.

A child cannot be released from the classroom unless you are wearing the appropriate badge. If you do not have a badge, class teachers will remind you to go back to the office to sign in.

Please note: The gates leading into the school will be closed from 9.15am until 2.45pm.

While we are aware this may seem inconvenient, please remember we have the safety of your children in mind.
SCHOOL / FAMILY COMMUNICATION

A newsletter is emailed each week from the school with announcements, news and community notices. Occasionally the School Board and P & F send their notices with the school newsletter. Hardcopies of the newsletter are available from the office. The newsletter is also on our website www.sjsqp.wa.edu.au for viewing.

At the beginning of the school year a formal, evening meeting takes place between the class teacher and the parents. The purpose of this meeting is to outline the year’s aims and activities.

At the end of Term one there is a formal interview between class teacher and parents.

In the middle of the year a formal written report for each child is sent home to the parents.

At the end of the year another formal written report is sent home to parents. Portfolios of students work are sent home at the commencement of Term 2 & 4.

Parents are encouraged to attend our fortnightly assemblies, sports carnivals and all school functions, Masses and Liturgies.

Informal contact between parents and teachers to discuss children’s progress is encouraged, but this should not take place during class time. Please contact the teacher through the child’s communication diary to arrange a suitable time.

SCHOOL NURSE

The school nurse from the Willetton Health Centre periodically visits the school. An appointment with the nurse can be made through the class, a teacher or principal for special circumstances.

DENTAL THERAPY

Dental treatment is available through the Dental Therapy Clinic attached to Queens Park Primary School. The clinic’s number is 9451 1015.
HEALTH

If a child becomes sick during the school day, or has an accident and needs medical attention, parents will be immediately notified if possible so that arrangements can be made for proper care.

If a child requires medication to be administered during school hours, parents are asked to complete Medication Request Forms, available from the office. Children should not keep medication at school, it must be left with the class teacher (after discussion with the teacher) or in the office. We request that parents honour their own and our responsibilities regarding medication for children.

If your child has an allergy or medical condition that may require us to care for them in an urgent situation eg Asthma, Bee Sting Allergy, Peanut Allergy, Epilepsy etc. we require Emergency Action Plan forms to be completed. These will guide us in caring for your child should the need arise. The forms are available from the office. Parents, we ask that you fully inform your child’s class teacher and office staff of all aspects of your child’s condition.

In cases of infectious diseases, Health Department guidelines for teachers and local authorities are to be followed.

Parents are asked to keep the school regularly updated on their child’s medical history, and current telephone numbers (home number, mother’s and father’s work numbers, and two other emergency contact numbers, ie. grandparents etc.).

Children’s hair needs to be regularly examined for head lice and/or nits. Treatment is available from the chemist, and parents should commence treatment as soon as the infection is discovered. The school should also be informed, and children kept at home until they are clear of lice/nits.

PLEASE DO NOT SEND SICK CHILDREN TO SCHOOL
PHYSICAL EDUCATION
Physical Education is a compulsory part of our school curriculum and all children are expected to participate in the activities, unless prevented from doing so for medical reasons, and then a note is required. Children must wear sports uniform as required.

TRAIN / BUS TRAVEL
Some of our students travel to and from school by train and/or bus. It is always important for parents to remind pupils about their behavior when travelling to and from school. Any incidents which may put pupils at risk are to be reported to the school as soon as possible.

ROAD SAFETY / PEDESTRIANS / BICYCLE RIDERS
All pupils who walk or ride bikes to school are in need of reminders about road safety. It is school policy to support the State law with respect to the wearing of bicycle helmets. All bicycle riders are to wear a helmet when riding their bikes to and from school. Please encourage your children to ride safely.
